- 571 **"al-Mustansir"**, Gold Dinar, Akka 492h (*sic*), 4.24g. *About extremely fine and very rare, an unrecorded Crusader imitation.* £800-1000

This newly-discovered imitation of a Fatimid Dinar, presumably of Crusader origin, is struck from high quality gold. However, its origins are given away by the slightly crude calligraphy and the fact that, while struck in the name of al-Mustansir, the date would identify it as a coin which should have been in the name of al-Must'ali. Together these provide evidence of its non-Fatimid origins.

# CONDITIONS OF SALE

1. The highest bidder for each lot shall be the buyer thereof. In the event of any dispute the auctioneer shall have absolute discretion to determine the dispute and the disputed lot may well be re-offered for sale.

2. The auctioneer will have absolute discretion to divide any lot, to combine any two or more lots, or to withdraw any lots from the sale without giving any reason. The bidding shall be regulated at the absolute discretion of the auctioneer. The auctioneer has the right to refuse any bid or bids.

3. All lots are offered for sale subject to any reserve price that may be imposed by the seller.

4. All lots are subject to a "BUYER'S PREMIUM" of 21.60% inclusive of V.A.T., payable by all buyers.

(a) The symbol 'G' appearing next to a lot in this catalogue denotes the item is 'Investment Gold' and, therefore, a VAT-registered trader can submit a claim to H M Revenue and Customs to recover the VAT element of the Buyers' Premium

5. Bidding commissions for anyone unable to attend the auction in person will be carried out by A H Baldwin & Sons Ltd without any additional charge. Bids must be in writing and be received at least 24 hours before the sale. "Buy" commissions will not be accepted. A H Baldwin & Sons Ltd shall not be liable for errors or omissions in executing any bidding commissions. We cannot guarantee to execute written bids received less than 24 hours before the commencement of the sale. If two absentee bidders bid identical sums for the same lot, the first bid received shall take precedence.

6. The buyer of any lot shall, if requested, immediately notify his name and address to the auctioneer and if required,

(a) provide bank/or other credit references;

(b) pay the full purchase price, or a fractional deposit as may be determined at the discretion of the auctioneer.

7. (a) Lots are sold as shown with all faults, imperfections and errors of description and lack of authenticity. Neither A H Baldwin & Sons Ltd nor the vendor shall give any warranty to any buyer in respect of any lot or be liable for any fault or error of description or lack of genuineness or authenticity of any lot. All statements as to items sold, whether made in catalogues, during the course of the auction or otherwise, are statements of opinion only and are not and shall not be taken to be statements or representations of fact. A H Baldwin & Sons Ltd reserve the right in forming their opinion to consult and rely upon any expert or authority considered by them to be reliable.

(b) Notwithstanding the foregoing, if any lot, other than a miscellaneous item not individually described in the catalogue, should be proved by the buyer to be not genuine or authentic, or to have been wrongly described in any material respect, the buyer may reject the same provided that he shall have given notice of his intention so to do and shall have returned the same to A H Baldwin & Sons Ltd within seven days from, and in the same condition as at, the date of sale. The onus of proving a lot to be not genuine or authentic or to have been so wrongly described shall lie with the buyer. Proof of the inability of any recognised expert or authority to express a definite opinion shall not discharge such onus. If the buyer shall discharge such onus, the auctioneers shall rescind the sale and repay to the buyer the price paid by him. Save as provided herein, A H Baldwin & Sons Ltd shall not under any circumstances whatsoever be liable for any costs, expenses or damages (whether direct, indirect, special or consequential) incurred by the buyer in respect of any lot, whether or not as a result of

any fault, imperfection, error or description or lack of genuineness or authenticity, including but not limited to loss of any kind of profit whatsoever.

(c) The Auctioneer does not accept the opinions of commercial third-party grading services. Refusal of such a service to grade a coin, or a difference of opinion on the grade of a coin, is not acceptable grounds for the return of a lot. Statements and opinions formed by third-party grading services based on their own independent research do not affect the auctioneers rights and conditions.

8. All lots are reserved at 80% of the lower estimate, with auctioneer's discretion.

9. Save as provided in the preceding paragraph of these conditions buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. A H Baldwin & Sons Ltd cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from either the auction room or the auctioneers' premises.

10. A H Baldwin & Sons Ltd act solely as agents and shall not be responsible for any default by either the buyer or seller or for any action or claim which may arise in respect of any lot.

11. Each lot shall be held at the buyer's risk from the fall of the hammer. The lot or lots shall be removed by the buyer within seven working days after the date of the sale. A H Baldwin & Sons Ltd reserve the right to charge storage and to resell by auction or privately, without notice to the buyer, any lots not so removed.

12. Any part of the purchase price left outstanding after the auction pursuant to Condition 5 shall be paid in full within thirty days of the date of the auction. Without prejudice to any other rights, A H Baldwin & Sons Ltd reserve the right to charge interest on any overdue payment at the rate of three per cent per month. Seven working days' notice must be allowed for clearance of personal cheques before delivery can be made unless prior arrangements have been made with A H Baldwin & Sons Ltd. A 2% surcharge will be applied to credit card payments.

13. Buyers accepting commissions from third parties do so at their own risk and will remain responsible to A H Baldwin & Sons Ltd for full settlement according to these conditions.

14. Baldwin's are not responsible for any inaccuracies in information and results given verbally during or after the auction nor any errors in reports subsequently produced.

15. By making a bid the buyer acknowledges his acceptance of these Conditions and shall be bound by them.

16. If any buyer fails to comply with any of these Conditions, the lot or lots in respect of which the failure is made may at the discretion of A H Baldwin & Sons Ltd be put up again and resold. The damages recoverable from the defaulting buyer shall include, but not be limited to, the auctioneers' expenses and commission in respect of the resale and the amount (if any) by which the price obtained on the resale is exceeded by that obtained on the first sale.

17. A variation of these Conditions shall only be binding on A H Baldwin & Sons Ltd and the vendor if it is made in writing and signed by a duly authorised representative of A H Baldwin & Sons Ltd.

18. These Conditions shall take effect and be construed in accordance with the provisions of English law.

## **Information for New Bidders**

Admission to the auction and participation is free once you have a copy of this catalogue.

You are encouraged to view the lots before the sale and attend the auction in person. Viewing of the lots may be done at your leisure, by appointment, in the week prior to the auction.

The catalogue is printed with estimates alongside each lot. This is intended as a price guide for interested bidders. Although it is our opinion of the value of the lot, bidders should be clear in their own minds what each lot is worth and should be prepared for prices to rise if there is competition for the lot. All lots can realise hammer prices both above and below the printed pre-sale estimate. In normal circumstances, each lot is reserved at 80% of the lower estimate and bids below this are very unlikely to be accepted.

Bidding may be carried out by you in person or by a representative of your choice (please ask a member of Baldwin's staff for more information on this). To collect your bidding number visit the registration table outside the auction room. Please ensure that you arrive in plenty of time for the lots you are interested in. A time guide is printed at the front of this catalogue and approximately 200 lots are sold per hour. However, bidders are reminded that this is a *guide only* and Baldwin's cannot be held responsible if you miss your lot.

Alternatively, bids may be submitted by filling out the bidsheet found in this catalogue. They must be submitted *in writing* either by post, email or fax to the Baldwin offices to arrive not later than 24 hours prior to the sale. Please include a street address in your email. Bids left by telephone are at the bidder's risk. Baldwin's will accept no responsibility for errors in the execution of bids submitted to a member of staff by telephone. It is recommended that such bids are confirmed in writing immediately.

Baldwin's regret that they are unable to confirm receipt of faxed or emailed bids sent up to 3 days prior to the date of the auction.

Absentee bids left with Baldwin's Auctions are executed by the auctioneer against all other bidders. Participants should supply their highest bid for each lot. Lots will be purchased as cheaply as possible against all competition. Absentee bidders will not be contacted prior to the auction if their top bid has been exceeded. Bidding begins below the low estimate and if yours is the only bid you will win the lot for the opening price no matter what your top bid may be. In the event of identical absentee bids, the earliest received will take priority.

If you are bidding in our auction for the first time, please give us the name of another dealer or auction house that knows you well as a reference. If you are unable to do this, we can only send you your lots after your invoice has been paid in full.

Invoices will be prepared on request during and after the auction. These will indicate the total due to A H Baldwin & Sons Ltd (including postage and insurance costs). Invoices will be sent *by Royal Mail* to bidders approximately two days after the auction has ended. Baldwin's regret that invoices cannot be sent by email. Full prices realised will be included with each invoice posted and are available on request shortly after the auction.

The price paid by the bidder is the hammer price plus 21.6% buyer's premium (including VAT). Book lots are not subject to VAT. Lots exported outside of the European Union may not be subject to VAT where A H Baldwin & Sons Ltd hold proof of export. Ask Baldwin's for more details where this may apply to you.

For lots sent by post a standard minimum charge of £6.20 will be applicable for UK customers. Postage and insurance will be charged at cost for larger shipments and those outside the UK (minimum £7.80). Lots will be sent by Royal Mail, recorded and insured delivery. Bidders are encouraged to arrange their own collection/shipment wherever possible.

## **Information for Potential Sellers**

We produce quality catalogues which are an expertly researched selling tool for your collection. These can be personalised to create a lasting record.

Our catalogues reach a vast international clientèle which is constantly augmented by our presence at international coin shows including London, New York, Munich, Singapore and Hong Kong. This promises favourable results when we auction your coins.

Our seller commission begins at 15% (+VAT) but may be reduced for items of high value or whole collections. Please ask a member of staff for more details. This is the only charge that applies. We make no charge for photography, storage or insurance and there is no fee for lots that do not sell.

Baldwin's are pleased to offer free verbal valuations of your coins, medals and banknotes and also clear independent guidance for their sale by auction or direct purchase.

At the point of consignment you will receive a signed receipt which details our conditions of sale. You will receive a full listing of your items in the sale and a free copy of the printed catalogue at least three weeks before the sale date.

Payment to sellers takes place between 30 and 45 days after the date of the sale. Consignors are not required to pay any money before the auction as all charges are deducted from the final settlement.
