- 1 **Khusraw II type**, Silver Drachm, GD = Jayy 29, *obv* margin *baraka*, 3.36g. *Good very fine and extremely rare, apparently an unrecorded type.* £2000-2500

The word *baraka* ("blessing") in the *obverse* margin at 4 o'clock appears to be unrecorded for the Arab Sasanian silver coinage.

- 2 **Ubayd Allah b. Ziyad (53-67h)**, Silver Drachm, DA = Darabjird 51 PYE = 62h, 3.89g (Walker p.63:91). *Good very fine.* £150-200

- 3 **'Abd Allah b. al-Zubayr (60-73h)**, Silver Drachm, Darabjird 53, 3.98g (Walker p.33:ANS 7). *Good very fine.* £150-200

- 4 **'Abd Allah b. 'Ali**, Silver Drachm, SK = Sijistan 66, *obv* governor's name in Pahlawi in front of face, *bin 'Ali* in Kufic in the second quarter of border, *rev* mintname to right of fire altar and date to left, 2.77g (Eshragh S, *Silver Coinage of the Caliphs*, 1752). *Border carefully clipped, otherwise good very fine and extremely rare.* £6000-8000

Eshragh comments "none of this ruler's name so far recorded". 'Abd Allah bin 'Ali is a previously unknown governor of Sistan from a date that Album considers to be "frozen". It is both extraordinarily rare and remarkable in having the governor's name in both Pahlawi and Arabic. Note the unusual absence of the benedictory formula *bism Allah*.

- 5 **al-Hajjaj b. Yusuf (Viceroy of the East 75-95h)**, Silver Drachm, BYSH = Bishapur 79h, 3.89g (Walker p.130:37). *Extremely fine, rare.* £400-450

- 6 **'Ubayd Allah b. 'Abd al-Rahman al-Qurashi (in Kirman 84h)**, Silver Drachm, Kirman 84h, *obv* margin *amr Allah bi'l-wafa*, 3.55g (A B40). *Very fine and extremely rare.* £1500-2000

Album records that only one example of this mint and date is known

- 45 **Anonymous**, *temp. al-Walid I*, Silver Dirham, al-Niq 89h, 2.82g (Klat 649). *Good very fine and very rare.* £6000-8000

This is another enigmatic Umayyad mintname. The only known date for "al-Niq", 89h identifies it as one of the northern campaign mints and its Arabic spelling almost certainly conceals its real name. In his *Checklist*, Album plausibly suggests that it may well be the district of Alvank – Albania in the Caucasus, and obviously not the modern Albania in South East Europe.

- 46 **Anonymous**, *temp. al-Walid I*, Silver Dirham, Bizamqubadh 90h, 2.82g (Klat 162). *Lightly struck in parts, otherwise extremely fine and rare.* £400-500

When the caliph al-Mansur opened the Abbasid mint in his new capital Madinat al-Salam (Baghdad) in the year 146h, he continued to employ the "Damascus" style of calligraphy that had been used on his Dirham coinage of al-Hashimiya in 145h. This coin confirms that the Madinat al-Salam mint changed its calligraphic style from that of Damascus to that of al-Kufa at some time early in the year 147h. This change illustrates a cultural shift in the Abbasid caliphate, leaving behind the Syrian coinage style of the Umayyads for that of the Iraqi east. The date 147h is very rarely encountered from Madinat al-Salam. Lowick records only one example of this Damascus type known to him through a single "unpublished" photograph, and this is the first example seen by the cataloguer.

## LOCAL NORTH AFRICAN ISSUE

- 520** **Tahir**, Silver Half Weight Dirham, Madinat Barqa 211h, *obv* field *Tahir*, *rev* field pellet between two book ends / - / bakh, 1.48g. *Very fine, extremely rare and completely unrecorded.* £1500-2000

This previously unrecorded silver coin is the earliest known from the Cyrenaican mint of the town of Barqa, located not far from today's Benghazi. While the denomination is not clearly specified in the marginal legend, its weight and small size mark it as a genuine ½-Dirham. This sheds an interesting new light on the numismatic history of Libya.

## RASSID (FIRST PERIOD)

- 521** **al-Nasir li-din Allah (301-325h)**, Silver 3-Sudaysi (= ½-Dirham), Sa'da, undated, 1.43g (A-). *Double struck, very fine and extremely rare, an unrecorded denomination.* £600-800

The Sudaysi, or 1/6-Dirham, is the well-known silver coinage of the Yemen, with only occasional mentions of the Dirham of the full canonical weight (*qafla*). This piece appears to be the only multiple denomination of the Sudaysi known, and is thus a great numismatic curiosity.

Joseph Aslan Cattai Pacha came from a Jewish family in Egypt, the grandson of Yacoub Cattai Bey (1801-1883), a banker and President of the Jewish community in Cairo. His uncle Joseph Aslan, Moses Cattai Pasha (1849-1924), continued in this post and was chairman of the Austro-Hungarian community. His father Joseph Aslan, Aslan bey Cattai Yakub (1824-1883), was mostly engaged in the development of the sugar industry in Egypt. Joseph Cattai Pacha was politically minded, fighting to make Egypt independent of England and the Ottoman Empire (though increasingly pro German). In 1914 he was elected to the first "representative assembly" for the nationalist opposition. After the War his sympathies with the Wafd (Delegation), formed by Saad Zaghouel, made him pro-independence whilst continuing his opposition to the British. In 1920 and 1921 he represented the Wafd in talks in London with the then Colonial Secretary, Winston Churchill. In 1922, when Fuad became King of Egypt, he contributed to the writing of a modern constitution, urging the adoption of universal suffrage. He was elected MP for the constituency of Kom Ombo and joined the government as Minister of Finance in 1924 and then Communications. In 1927 he was appointed a senator, a position he held until his death and the event for which this medal was probably intended. The cataloguers have been unable to establish whether a finished medal was ever produced. illustrated on the back cover.

# Information for Bidders

## Admission

Admission to our Public Auction is free; by registering for the auction you are agreeing to abide by the conditions set out in our printed catalogue and on our website.

## Examination of Lots

You are encouraged to view the lots before sale and attend the auction in person. Viewing of the lots may be done by appointment in the week prior to the auction at our offices or on an official viewing day.

The catalogue is printed with estimates alongside each lot. This is intended as a price guide for interested bidders. It is our opinion of the value of the lot but bidders should rely on their own judgement of the value. Bidders should be prepared for prices to rise if there is competition for the lot. All lots can achieve hammer prices both above and below the published pre-sale estimate. Usually each lot is reserved at 80% of the lower estimate and bids below this are unlikely to be accepted.

## Bidding at the Auction

Bidding may be carried out by you in person or by a representative of your choice (please ask us for further information). Please collect your bidding number from the registration table at the auction room. You should arrive in plenty of time for the lots you are interested in. A time guide is printed at the front of the catalogue and approximately 200 lots are sold per hour. However bidders are reminded that this is a guide only and Baldwin's will not be responsible if you miss your lot.

If you do not have an account with us, we may ask you for a reference from a bank or other credit referee (eg another dealer or auction house) and you may be asked to leave a deposit before bidding.

## Absentee Commission Bids

If you are unable to attend the Auction personally, you may place a commission bid through us and we will try and purchase the lot for you at the lowest price possible. You must complete a Commission Bid Form found in this catalogue which must include your highest bid for each lot. All commission bids must be submitted in writing either by

post, email or fax to Baldwin's offices to arrive not later than 24 hours before the auction. We do not accept bids left by telephone. Please include your street address in emails.

Commission bids received less than 24 hours before the auction will only be accepted at our discretion and we cannot guarantee that the commission bid will be placed.

We do not charge for these services and therefore we will not be liable for errors in executing commission bids.

We offer a state-of-the-art Live Bidding system over the internet via [www.the-saleroom.com/baldwins](http://www.the-saleroom.com/baldwins). This service is free and requires you only to register your details, together with a valid credit card for verification. You may either bid live, making use of the audio and video, or leave commission bids on the website which will be automatically executed on your behalf. These commission bids cannot be seen by the auctioneer. Invoices will be mailed to you after the auction in the usual way

## Purchase Price

The price paid by the bidder is the hammer price plus 20% buyer's premium (plus VAT). Lots exported outside of the European Union may not be subject to VAT. Please ask for further information from us where this may apply to you.

You are encouraged to arrange your own collection/shipment. Alternatively lots will be sent by Royal Mail, recorded and insured delivery. Postage and insurance will be charged as additional costs.

## Payment

An invoice will be supplied on request during and after the Auction showing the total amount due to us. You must pay in full before the lot(s) can be delivered to you.

## Guarantee

# CONDITIONS OF SALE

## 1. APPLICATION AND CONTRACTUAL RELATIONSHIP

1.1. By making a bid, a Bidder acknowledges his acceptance of these Conditions and will be bound by them.

1.2. Baldwin's acts as agent for the Seller for the sale of a Lot to the Buyer unless Baldwin's is the owner of the Lot. As such, Baldwin's is not responsible for any default by the Seller or the Buyer.

1.3. The contract for the sale of a Lot is between the Seller and the Buyer and is subject to these Conditions and the Seller's Conditions.

## 2. PRE-SALE AND DESCRIPTIONS

2.1. Statements made by us in a Catalogue, during the course of the Auction or elsewhere, describing a Lot including its authorship, origin, age, size, condition, genuineness, authenticity or value are intended as a guide for interested Bidders. These are statements of opinion only and should not be relied on as statements of fact. Illustrations of the Lots are for general identification only.

2.2. Lots by their nature are usually aged and varied in condition. The absence of any description of a defect, damage, modification or restoration in any Catalogue does not imply that there are none.

2.3. Coins are graded to accepted UK standards to the best ability of our specialists. You acknowledge that the grading of coins is subjective and may vary from specialist to specialist, as the process is by nature an art and not a science. For this reason, we do not automatically accept and are not bound by the opinions of third party coin grading services for any purposes including before and after the sale of a Lot.

2.4. If you are interested in a Lot, we strongly recommend that you view it in person before the Auction and form your own opinion of the description of the Lot.

2.5. We reserve the right to change any aspect of the published description of a Lot prior to the auction. Any change may be published on our website, displayed at the auction, announced by the auctioneer prior to the sale and/or communicated in any other manner.

2.6. All copyright in Catalogues including images belongs to Baldwin's.

## 3. ABSENTEE COMMISSION BIDS

3.1. If you are unable to attend the Auction personally, you may submit a Commission Bid and we will endeavour to purchase the Lot on your behalf for the lowest price possible. You must submit this in writing using the Commission Bid Form and send it to us by post, fax, email or delivery to our offices at least 24 hours prior to the Auction.

3.2. For all Commission Bids, you must supply your name and address, contact telephone number and email. You must also provide the Lot number and description of the Lot, the amount of your Bid and any other information requested in the Commission Bid Form or by us. It is your responsibility to provide the correct information and to ensure that we have received your Commission Bid.

3.3. We do not charge for this service and therefore we will not incur any liability for executing (or failing to execute) the Commission Bid.

3.4. If you submit a Commission Bid verbally (whether by telephone or otherwise), we shall not be responsible for any misunderstandings (by either us or our agents or you) in relation to your Bid. All bids made in this way must be confirmed in writing before the auction.

3.5. If we receive two Commission Bids for equal value for the same Lot, the Bid received first by us shall take precedence.

3.6. "Buy" commissions [and unlimited Commission Bids] will not be accepted.

## 4. AUCTION SALE

4.1. Before the auction, all potential Bidders must notify their name and address to the auctioneer and if required provide proof of identity to our satisfaction and bank or other credit references.

4.2. The highest Bidder for each Lot shall be the Buyer. If there is a dispute, the auctioneer shall have absolute discretion to determine the dispute including re-offering the disputed Lot for sale.

4.3. A Bidder must submit a bid for an entire Lot and each lot constitutes a separate sale. The auctioneer shall however have an absolute discretion to divide any Lot, to combine any two or more Lots, or to withdraw any Lot from the auction without giving any reason (including after the hammer has fallen). Bidding shall be regulated at the absolute discretion of the auctioneer. The auctioneer has the right to refuse any bid.

4.4. Subject to Condition 4.2, the contract for the sale of the Lot is concluded on the fall of the hammer.

4.5. All Lots are offered for sale subject to any Reserve.

4.6. You cannot cancel your purchase of a Lot once the hammer has fallen.

## 5. PAYMENT

5.1. The Purchase Price payable by a Buyer is the Hammer Price plus a Buyer's Premium of 20% of the Hammer Price. VAT is payable in addition unless the Lot is exempt or zero-rated.

5.2. The symbol 'G' appearing next to a lot in this catalogue denotes the item is 'Investment Gold' and, therefore, a VAT-registered trader can submit a claim to H M Revenue and Customs to recover the VAT element of the Buyers' Premium.

5.3. Any lot marked with a dagger (†) is subject to import VAT at 5%, this will be added to the hammer price and is payable by the buyer if resident in the EU. If the lot is being exported outside the EU, this import VAT can be waived or refunded on proof of export.

5.4. The Buyer of a Lot shall pay the Purchase Price in full before the Lot can be delivered to the Buyer.

5.5. Except where Condition 5.4 applies, any part of the Purchase Price outstanding after the Auction shall be payable by you within 14 days of the date of the auction, the due date.

5.6. The Purchase Price is payable by you in full. You are not entitled to set-off any amounts that you claim are due from us or anyone else or make any other deductions.

5.7. Unless we have agreed in writing otherwise, you shall act on your own account as principal in respect of the sale and therefore if you accept a commission from a third party to bid on their behalf, you do so at your own risk and will remain personally liable (jointly with your principal) to us for the Purchase Price in accordance with these Conditions.

5.8. The methods of payment and surcharges are set out in the Catalogue.

5.9. If the Purchase Price has not been settled within 30 days of the auction date a £50 late payment fee will be added and interest will be charged at 2% per month from the due date of payment to the date that cleared funds are received whether that is before or after any legal judgment. This is without prejudice to any other rights that we have for non-payment.

5.10. If you fail to comply with your obligations under these Conditions, the Lot, in respect of such non-compliance, may at our discretion be put up for sale at auction or privately and resold. In this case, you will be liable in full and will indemnify us for all losses, costs and expenses (including legal costs) incurred as a result, including the costs of the resale and the amount (if any) by which the Hammer Price obtained on the resale is less than the Hammer Price obtained on the original sale of the Lot to the Buyer.

## 6. RISK, TITLE AND DELIVERY

6.1. The risk of damage/loss to the Lot will pass to the Buyer on the fall of the hammer. Title in a Lot will not pass to the Buyer until the Purchase Price has been paid in full.

6.2. Unless agreed by us, you should collect the Lot within 7 days of the date of the auction. We reserve the right to charge for storage and to resell by auction or privately without notice to you, if a Lot is not collected. Alternatively we will send the Lot to you by recorded post. Postage and insurance costs will be charged as additional costs.

6.3. Except in relation to Forgeries, you must satisfy yourself that the correct Lot has been delivered to you at the time of collection/delivery. We will not be responsible for any discrepancy which might be discovered after the Lots have been collected. If we have shipped the Lot to you, we will not be responsible for any discrepancies if you fail to notify us within 24 hours of receipt.

6.4. It is the Buyer's responsibility to obtain any necessary import, export or other licences required in relation to a Lot.

## 7. GUARANTEE FOR FORGERIES

7.1. Baldwin's is a member of the International Association of Professional Numismatists and in accordance with the conditions of membership, provide a guarantee to the Buyer for all Lots against Forgeries on the terms set out in these Conditions ('Guarantee').

7.2. For the purposes of these Conditions, a 'Forgery' means an imitation that has been created with the fraudulent intent to deceive in respect of the authorship, origin, date, age, period and the correct

description does not correspond with the description in the Catalogue and as a result has a value significantly less than it would have been had it been genuine.

7.3. You must notify us in writing within one month of you becoming aware that the Lot may be a Forgery. The Lot must be returned to us in the same condition as at the time of sale and you must submit evidence that the Lot is a Forgery, the onus being on you to prove that it is a Forgery.

7.4. You acknowledge that:

(a) we reserve the right to re-assess the Lot or engage at our expense any expert or authority considered by us at our sole discretion to have the necessary expertise to undertake a re-assessment of the Lot;

(b) following our re-assessment of the Lot, you agree to be bound by our decision as to whether or not the Lot is a Forgery.

7.5. You shall not be entitled to a refund for a Forgery if:

(a) the grounds for claiming that the Lot is a Forgery is based primarily on a difference of opinion between us and a third party providing coin grading services;

(b) the grounds for claiming that the Lot is a Forgery is by reason of any damage and/or restoration and/or modification work of any nature;

(c) the description of the Lot in the catalogue was in accordance with generally accepted opinions of numismatic specialists as at the date of publication or the catalogue indicated that there was a conflict of opinion.

(d) it has been proved that the Lot is a Forgery by applying a method that was unavailable or not generally applied within the industry of numismatics as at the date of publication of the catalogue or was disproportionately expensive, in both cases as determined in our absolute discretion.

7.6. If we agree that the Lot is a Forgery then subject to:

(a) you being able to confirm in writing that you can transfer legal and beneficial title to the Lot to us or as directed by us free from all encumbrances or third party claims of any nature; and

(b) the exclusions in Condition 7.7,

then the sale of the Lot will be rescinded so that it is cancelled and we will refund the Purchase Price to you in full.

7.7. Your right to return the Lot and receive a refund of the Hammer Price under the Guarantee is your sole remedy against us, our agents and sub-contractors and/or the Seller for a Forgery. You will not be entitled to claim interest on the amount due to you. Neither we, our agents or sub-contractors nor the Seller shall be liable for costs, expenses, damages or any other liability however it arises relating to a Forgery.

7.8. In accordance with the restriction in Condition 10.2, the benefit of the Guarantee is personal to the original Buyer and is not transferable to a new owner of the Lot or any other person.

## 8. EXCLUSION OF LIABILITY

8.1. Except where these Conditions expressly state otherwise, no warranty is given to a Buyer concerning a Lot and each Lot is sold as shown with all faults, imperfections, errors of description (including authorship, origin, age, size, condition or value) or lack of authenticity or genuineness and neither we nor the Seller nor any of our agents or sub-contractors will be liable for any damages, costs, expenses or any other liability arising out of the same whether or not caused by negligence.

8.2. Our maximum liability under these Conditions is the amount of the Purchase Price paid by you.

8.3. Neither we nor any of our agents or sub-contractors shall be liable, whether in tort (including negligence or breach of statutory duty), contract, misrepresentation or otherwise:

(a) for loss of profits or business, depletion of goodwill and/or similar losses; loss of contracts; or

(b) any special, indirect, consequential or pure economic loss, costs, damages, charges or expenses.

8.4. We shall not be liable to you or be deemed to be in breach of these Conditions by reason of any delay in performing, or any failure to perform, any of our obligations in the Conditions, if the delay or failure was due to any cause beyond our reasonable control.

8.5. Nothing in these Conditions excludes or limits our liability for any matter which it would be illegal for us to exclude or attempt to exclude under English law or for our fraud or fraudulent misrepresentation.

## 9. DATA PROTECTION

9.1. By agreeing to these Conditions, a Bidder acknowledges and agrees that we will use personal information of a Bidder for the purpose of the auction and ancillary matters, including providing a Buyer's personal details to any other person where necessary to enforce our rights under these Conditions.

## 10. GENERAL

10.1. These Conditions and the Seller's Conditions constitute the entire agreement between us. All other terms, warranties and representations, express or implied by statute or otherwise are excluded to the fullest extent permitted by law. No variation to these Conditions shall be legally binding unless agreed in writing by us.

10.2. All rights and benefits granted to a Bidder under these Conditions are personal to him and may not be assigned or in any other way transferred to any other person. Any such assignment or transfer will be invalid and unenforceable against us.

10.3. A notice required or permitted to be given by either of us to the other under these Conditions shall, in the case of a Bidder, be to the last address notified to us and in the case of Baldwin's, shall be to its registered office.

10.4. No failure or delay by us in exercising any of our rights under these Conditions shall be deemed to be a waiver of that right, and no waiver by us of any breach of these Conditions by you shall be considered as a waiver of any subsequent breach of the same or any other provision.

10.5. We may perform our obligations and exercise our respective rights through any of our group companies or assign our rights under these Conditions.

10.6. If any provision of these Conditions is held by any court or other competent authority to be invalid or unenforceable in whole or in part, the validity of the other provisions and the remainder of the provision in question shall not be affected.

10.7. English law shall apply to these Conditions and we both agree to the English courts having exclusive jurisdiction.
